Re: Well no. St. George Unit #1
Sec. 19, T. 43 S, R. 15 W,
Washington County, Utah

Gentlemen:

Upon checking our files we find that we do not have a driller's log and electric and/or radioactivity logs for the above mentioned well. It was also noted that we have very little information on said well. This well was drilled prior to the establishment of the Division, however, we are making an attempt to complete our records on wells that have been drilled in the state.

It would be appreciated if you could forward said information and logs to this office at your convenience.

Thank you for your assistance in this matter.

Very truly yours,

DIVISION OF OIL & GAS CONSERVATION
